Join the PTA!

Be an 800-Pound Gorilla!
The PTA's voice of support for Daniel Bagley
and K-12 education is much stronger to officials
when PTA membership is high.

Three great reasons to join the Parent-Teacher Association:

1. Decide how the PTA supports the students, teachers and programs at Daniel Bagley. Each PTA member has a voice in the PTA budget.
2. Get connected with a wonderful group of involved parents.
3. It's as easy as checking the box **on the other side** of this page!

It's Easy to Join!
Just check a box and attach \$20 for a household or \$11 for an individual. Information provided to the PTA is used only by the PTA, though your name and zip code are sent to the WA State PTA. Only those over 18 years of age are eligible for membership. Adult family members, neighbors, community members, and/or school staff can all become members.

Leverage your money!
Membership fees are an important source of money for programs for our children like art and music lessons.

Your PTA Contributions at Work

- subsidies for tutors, Health & Fitness, and playground supervision
- funding for "Visiting Artists" Program, field trips and 5th grade camp
- funding for classroom supplies, the art room, gymnasium and library
